

# We all like to pick apples in the Fall

We all run to the apple trees.

We pick small and big apples.

There are apples that fall off the trees.

I call out," I got lots of apples!"

We eat lots of apples.

Some of the apples get baked in a pie.

We call Grandma to tell her.

Soon all the apples will be gone!

- 1 Cut out the 5 onset c n p th u cards and 21 word cards.
- 2 Sort the word cards by the first letter: c n p th u.
