

## I put the coin in the box

I pull the handle.

The ball comes out fast!

I push the paddles to move the ball.

The bumpers push the ball back.

I pull the flipper again.

I put the ball back in play.

My head is full!

What should I push or should I pull?

The game is over but you would not have to push me to play again!

- 1 Cut out the 2 onset f p cards and 14 word cards.
