

Do you see the bird there?

Where is the bird?

There, in the air!

Where did it go?

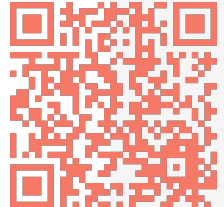

It is there in the tree.

Where is the bird in the tree?

Look there at the top.

I see where the yellow bird sits.

I wonder where the bird lives when it is cold here?

- 1 Cut out the 2 onset th w cards and 14 word cards.
- 2 Sort the word cards by the first letter: th w.

th	w
there	where
they	when
that	was
the	with
their	will
them	why
that	woman
