

Please use care when you walk in the garden

These are the new plants.

Please use the hose to water those.

Those are vegetables.

We will use the hoe to dig.

Those other plants are weeds.

So please don't use the hose on those.

These are flowers so don't hoe those!

My nose can smell those.

These are happy days in the garden.

- 1 Cut out the 5 onset c n p th u cards and 21 word cards.
- 2 Sort the word cards by the first letter: c n p th u.
